“ I will always remember Uncle Allan as a kind, fun loving Uncle who tolerated our racket and always made sure we were safe ALL summer EVERY summer we spent at Grandma's. I'll always regret I didn't make it \"home\" to see you one last time but I am consoled that to be absent from the body is to be present with the Lord and I thank God that you are free from pain. I never got a chance to say how much I admired the fact that even during the roughest times, you LOVED your kids and always fought to be with them and show them- Many men with more material wealth need to read a page from your book !
Aunty Melva, Kimmy, Michael, Keisha- I love y'all so very much and I grieve with and for you and Allan Jr. And Arev.
His Loving Nephew,
Mark Jason McLaurin

“ It is with great sadness I send my sympathies to the McLauren Family. Just last last year I had a chance to visit with Allen at his sister Melva's home. It was then that Allen told me about his illness. I told Allen how great I thought he looked. If he had not have told me I would never have thought anything was wrong. We had a great conversation as always. He still had his great sense of humor. I am so pleased that I will have that memory of Allen with me always.

“ I want to thank everyone who made the celebration of my father's life possible. It was so happy to see everyone who's life my father touched come out in support of him and come to share pleasant memories. I am sure he would be happy to see everyone remembering him in such a positive way!
