“ Paul says, “We fix our eyes not on what is seen, but on what is unseen. For what is seen is temporary, but what is unseen is eternal.” Temporary. This too shall pass. And the day on the other side of this night is going to be awesome!

“ Family, I am truly saddened to hear of your loss and would like to express my condolences to you on the passing of your father. My thoughts and hopes to you at this difficult time. Uncle Roger was always special to me and I am truly going to miss him. I can only imagine how much of an impact your father has had on anyone who he has come in contact with. I will always remember the time i spent in Springfield and how he opened up his home to me and made sure I was entertained for the duration of my stay. Know that you we will always be here for you. Paul Hamilton & Family It is obvious that you were very fortunate to have such a fine man as your father and role model as you grew into the person you are today. Please accept our heartfelt condolences at this most difficult time and I ask that you please pass these sentiments on to your family and your father's friends. I wish I had the opportunity to have known your father as I can see how his personality and strength must have passed into you and in doing so he lives on in you and those who loved him.
