“ My brother was a very unique soul that captured the audience of so many. He had a great personality. He was an extremely smart and articulate gentleman who was sometimes misunderstood. No words can express the insurmountable love that so many had for him throughout his life. He left behind so many including, but not limited to his parents Jose Pagan and Ruth Rivera, siblings Jose Pagan, Isaac Gonzalez, James Gonzalez, Jessica Carman, and Meagan Gonzalez, and his aunt’s Margarita Colon Godfrey, and Juana Pagan Massa. He will be loved and missed so much.

All the what if's in the world won't bring you back and from the bottom of my heart I apologize for not doing more, reaching out more & not filling in for Abuela when she left us, she truly was the glue that kept us together.
