“ *"In loving memory of my Son, of all the special gifts in life however great or small. To have you as my Son was one of many of the greatest gift of all. A special time, a special face, a Son I can't replace. With aching heart, I whisper low I miss you Son and love you so." Today was, is rough to re-watch that casket lowered, of you My Child into the ground. Forever etched in my mind, heart, and soul. Always and forever, missing and loving you, Mom*

“ Anthony, what can I say, I'm heartbroken. Thank you for allowing me to have lived in your life for a brief but wonderful moment. Thank God for putting that pit stop on his life plan he had for you, thank you for having my back and keeping me safe at work all those third shift nights at the Hampton Inn. Thank you for making me smile when I didn't know I needed to laugh. Thank you for being you. I will remember and miss everything about you God bless you and keep you Until we meet again.

“ *My deepest heartfelt sympathy my dear friend. We became good friends at work and I missed you everyday you did not show up. I often searched my phone looking for a missed call or text. I am truly sorry you are gone, but will never be forgotten 🌹 You will always be in my heart. I know you are in a better place and your looking down at us while you sit with God, you are now one of his angels. Stay in peace much love to you ❤️*

“ To a very special man who I am pleased to have called my brother and I was his big head sister! The bond we had can never ever be replaced! You spent many nights at my home to spend sister/brother time because my Lupus was getting bad and my depression was at its worst! You would just come over and lay across my bed and we’d talk, laugh and cry together! Anytime you needed me I was there and when I needed you; you were there! You were going to get me my own helmet to ride on your bike. You wanted me to just travel with you to see the world and enjoy it and start to live. God had his own plans though and needed his angel to go home! I admit that it’s been really hard to let you go and find solace with you not here! We talked everyday and talk my ear off 😭 or when we seen each other I’d run up and jump on you and tell you I love you and you would say I love you more! I’m going to truly miss hearing your voice and not being able to see you. But I know God has better plans for you and now your an Angel do you get to watch over all of us and see how truly loved you were! We didn’t get a chance to get our adventure going or get on the motorcycle! No I wasn’t your blood sister but I was your spiritual sister and you gladly welcomed me as such! You will truly be missed! But I will find solace in knowing that your no longer in pain!
