“Buddy was the best! He was a loving husband to my sister Dawn. They raise a wonderful daughter together. Buddy was always the life of the party. He could make anyone laugh. He had a real talent for making people smile even in the hardest of times. He is loved by many and will remain in the happiest places of all our memories. He is a model for love, respect, friendship and living life to the fullest. I am lucky to have known him.

“I will forever love the song voodoo by godsmack because of Buddy. I will never forget running down his stairs to hear him jam out to it on his drums, he was a truly amazing musician who I looked up to. Buddy could make me laugh when no one else could and when he smiled he lit up the whole room. Buddy you're amazing and I will never forget you, I love you.

“ Dawn,\n\nYou have my deepest condolences on the loss of Buddy. I found out Thursday from Laura about Buddy falling ill and found out on Tuesday when I was up with Jim in Holyoke. We are all saddened by the loss as we will miss him dearly. \n\nHe always brought a smile to everyone's faces when he came in no matter how bad their day was going, he knew how to make them smile even if it was to let them vent to him for a short while.

“ While I never got to meet Buddy, I did have the great pleasure of knowing his daughter, Alexis. He lives on through you now... Its a tragedy that he was taken from you so soon in your life. If I lost my father I would shut down. You truly did not deserve this, and I wish this didn't have to happen to such a great person. \n\nMy thoughts and prayers are with you and your family through this difficult time. If you need anything from me you know my number.

“ Dawn and Alexis ,\r\nl got up this morning and realized that Buddy and Dad was gone . Sadness flooded over me in a way I cannot describe . He was the best Husband , Father and Friend anyone could be fortunate to have . I refer to Buddy as a friend not Son-in-Law , because I considered him as friend not just some relative . I remember that Buddy loved to fish , but did not love taking the fish off thr hook ! When Alexjs was very young we took her fishing down on the keys and shr caught a four foot shark . She yelled shark and lept into Buddy's lap ! I guess I can't blame him four not taking that onr off the hook ! I loved Buddy and will miss him deeply . Love Dad abd Janet

“Buddy you will be missed by many..your smile, your laugh.. you never judged just accepted everyone..it was a pleasure being your sister-in-law Love you and to his family I would like to leave these words: To my dearest family, some things I'd like to say...but first of all, to let you know, that I arrived okay.I'm writing this from heaven. Here I dwell with God above. Here, there's no more tears of sadness; here is just eternal love. Please do not be unhappy just because I'm out of sight. Remember that I'm with you every morning, noon and night. That day I had to leave you when my life on earth was through, God picked me up and hugged me and He said, "I welcome you" God gave me a list of things, that he wished for me to do. And foremost on the list, was to watch and care for you. When you think of my life on earth, and all those loving years because you are only human, they are bound to bring you tears. But do not be afraid to cry; it does relieve the pain. Remember there would be no flowers, unless there was some rain. When you're walking down the street, and you've got me on your mind; I'm walking in your footsteps only half a step behind. And when it's time for you to go.... from that body to be free, remember you're not going.....you're coming here to me.....
