“ I have very fond memories of Carolyn over the years that we worked together at Springfield College in the 90s in the Teacher Preparation Office and at all the lunches we shared for several years after she retired when she was living in East Longmeadow. Carolyn always spoke with pride of her children and grandchildren and showed an interest in how I was doing and my family. I know that Carolyn stayed physically active, swimming, etc. for as long as she could. I will miss getting the latest news from Carolyn at the holidays about her family: Jan & Steve, Paige & Keenan, Heather, Pam & Glenn. My condolences to all, cherish the wonderful memories you have of Carolyn over the years, I know I will. All the best. Linda Davis-Delano
