“ I was so sorry to hear of George's passing. I have fond memories of myself, my twin brother Bill and George playing and hanging out around the Woodlawn area. Great times! The last time I saw him he was waiting at the corner for his grandchild to get off the bus. It was so nice to see him. I'll remember him as a fun-loving great guy. RIP George.

“ I have a fond memory of the night that my good friend Beth met her future husband George for the first time. He had that wonderful blond hair and friendly smile that started a lifetime relationship for them both. I know how much he loved his children and his grandchildren. He loved his family! He was happy to be alone in nature looking for birds and animals, but he also needed to be with his family. I have a memory of George when he and I were lab partners in our high.school Chemistry class. Things went wrong and there was a lot of laughing.

I am hoping that you can all look back on good memories of George and find peace, healing, and happiness.

“ Beth, Lisa, Matt, and Family,
I am so incredibly sorry for your loss. I will always have fond memories of Uncle Georgie for his love of animals (from the pheasants, to the raccoons, to the Bassets, and the enormous fish tank) to his love of the Celtics and Pats. We always had fun making whirlpools in the pool and trying to dodge the barking dogs next door on the way to and from the house. I hope you all find some comfort in your memories of him and know that he was loved by all who knew him. Sending you all love in this difficult time. ❤️
Love,
Noelle (Rosie) and Family

I am saddened to hear of George's passing, having just sent him birthday greeting on FB. George was a childhood friend at Woodlawn School and middle school before our family was relocated to Germany for 3 years with my father's career in the Air Force. His letters were always funny and well-written, and I cherished our friendship. We reconnected several years ago via text. I shall miss him greatly. Please let me know if the family is planning a celebration of life. Martha@Batorski-Associates.com. Prayers for comfort for his family. He was a brilliant soul.

I was so sorry to hear of the passing of George. He was a good supporter of Pascommuck Conservation Trust and always reported in with any news at the Pomeroy Meadows property. We were very appreciative of his care for the property. My condolences to his loved ones. Molly Goodwin, PCT Board Member
