“ Dear Cindy and family, I am so sorry to hear of your brother's passing. I know how difficult it is to lose one's sibling - it is heartbreaking. I see that he was an Eagle Scout like my husband who is very proud of that designation as I'm sure your brother was. . I know as an Eagle Scout that he had a very special character which comes from the hard work and discipline needed to reach that rank. He appeared to be someone who loved and enjoyed life but was taken too young. Please extend my deepest condolences to your family. With much love to you...Claudia
