“ *Just heard the sad news. To say that Horst had a ZEST for life.. well that is the understatement of the year! Horst gave everyone the strong desire to do better, be better, love others, help a stranger.. and to laugh often!*

Heaven just got a new favorite soul this week. HUGS to Gail and the entire family. So sorry to hear of this terrible loss.. but Life Is Good and Horst understood the ideal of living every moment. We promise to do better in his honor. Horst was one of God's gift to us all. He will be missed, but his character and deeds will live on...

Take Care.. Linda, Rich, Sara & Gwen

“ Saddened to hear about Horace passing. I have not seen or talked to Horace since graduating from Springfield Tech high school in 1960. However who can forget the years of friendship. I first met Horace when the family came here from Germany in 1952. We were in the same grammar school (Lincoln), along with Junior High school, along with the family living close by. Over the years my twin brother has kept me posted on Horace, and another friend passed word of Horace passing. He will be sadly missed by all that knew him. May he rest in peace.

“ Gail & family,\r\n\r\nSo sorry to hear of Horace's passing. Maybe he can play some poker with Carolynne and Quentin like we had previously enjoyed so much at your holiday functions. It is hard to believe yesterday was the one year anniversary of Carolynne's passing. I am doing well as my beautiful wife had insisted I must do. I wish the best for you and your family. Please accept my deepest sympathy and condolences.
