“ I just learned about Jimmy's passing and wanted to send my condolences to any loved ones he left behind. Jimmy and I were childhood friends and even though we haven't seen each other in many years, I have always thought of him fondly. He was one of the kindest people I have ever known.”\nAnnette

I believe that I served on the USS America with Jim. Our reunion group had been trying to find him, sadly I think this was him, he will be missed by his shipmates.
