“ *Carol, Robert, and Jim's family:\r\n\r\nFor some reason I missed Barbara's obit but have been looking for you Carol since you had left the area. I am sorry to hear of the losses. Please accept my sympathy. I, myself , have lost 3 brothers and of course my parents, and yet time marches on. \r\n\r\nHave a lot of good memories of our living next door and as well when you were my son John's principal, Carol. For years now I have tried to find some of you and was unable to until just today when I saw Jim's obit.\r\n\r\nI would like it if someone would please respond and please know God has all the answers for whatever it is you may need.\r\n\r\nAgain, so sorry, and please let me hear from you.\r\n\r\nDawne*
