“ You can shed tears that she is gone\r\nOr you can smile because she lived\r\nYou can close your eyes and pray that she will come back,\r\nOr you can open your eyes and see all that she has left.\r\nYour heart can be empty because you can't see her\r\nOr you can be full of the love that you shared.\r\nYou can turn your back on tommorrow and live yesterday,\r\nOr you can be happy for tommorrow because of yesterday\r\nYou can remember her and only that she is gone,\r\nOr you can cherish her memory and let it live on,\r\nYou can cry and close your mind, be empty and turn your back,\r\nOr you could do what she wants: smile,open your eyes,love each other and go on....\r\n\r\nMuch love & many prayers...Susan\r\n\r\n
