“ I'm so truly sadden by the lost of Jose. I was Jose's supervisor at Bonnyview for many years. Jose was a kine and loving person. Always there for you if you needed him  
I cherish the gift and words written on the back of the picture he gave me when he resigned. I remember always talking to him about his sons and family whom he loved so much  
He will be truly missed. My heart goes out to his family..
