“ I really miss you so much Grandpa, I will miss you sitting me on your lap and trying to teach me how to play guitar. I will also miss you wearing your crazy hats and having a white beard like Santa Clause. I love you very much and will always say a prayer for you every night before I go to bed. Be safe in outer space abuelo...your loving granddaughter Iza...

“ I know for certain that we never lose the people we love, even to death. They continue to participate in every act, thought and decision we make. Their love leaves an indelible imprint in our memories. We find comfort in knowing that our lives have been enriched by having shared their love. -Leo Buscaglia
