“ Julie and I had been friends since the 1st day of 7th grade. I have some wonderful memories from when we were young. We were not super close later in life, but I would visit her & Stan each time I passed through that part of Massachusetts. Even with all her physical ailments in the past few years especially, she kept her sense of humor. I miss her so much.

“ I have known Julie all her life and shared many wonderful times together as cousins. She was a sweet and caring person and I will miss her greatly. Rest quietly and free of pain. We shall meet again. Love you always.
