“ Paul and Sami’s heart broke with the news convey to us by a cousin. Lee not only was a sponsor but also a good friend. Many a time , he was at our home swimming , eating meals with us and singing his songs with Paul when entertaining at a function or in a nursing home. We entertained at his mom Shirley’s retirement place and often kidded about Lee as a child. May Lee’s good soul be with God and his mom, dad, brother. May he be at peace singing his songs using his beautiful voice for cheer. God bless.
