“ I wanted to extend my sympathy to Rena, and the entire family. Lou was a great man. His room was across from my office so we visited regularly. I will never forget Lou coming up to me asking, can u look something up for me on that thing, referring to my computer. After a few web searches he says\n" think I can have one of those in my room, and u can teach me how to use it\n". Never a dull moment LOU. RIP...Tina
