“ Linda you were a lovely person and you had such a kind and gentle spirit. You always made me feel special and you were genuinely happy to help others. They say only the good die young and maybe that is why God called you home. You are in heaven where you deserve to be because you were an angel on earth. XOX Lisa

“ I first met Linda when I began working at Shoenique in 2011. I worked along side her until the fall of 2015. She was such an amazing person with a bright and happy spirit. We were always laughing or joking about something. I'm going to miss her laugh and even more the person she was. She has given me plenty of guidance when I was in school and through times that were difficult for me. She was the type of person that was so selfless and gave what she could to others. I will miss her greatly.
