“ My prayers go out to all family members and friends. I really wanted to be there with all of you today, my apologies. \r\njust want you to know that Uncle Louie is my favorite Uncle,\r\n. I remember all the times Dad(Roger) drove us out from Michigan to visit. I was always so excited that I would get sick with anticipation to see Uncle Louie and Auntie Sherlie. My prayers and love go out to all familymembers and friends. Love, Connie
