“Luz, I am at a loss for adequate words to express my sadness for you. Gio and I had the blessed opportunity of knowing your mom and I know heaven just received one of the most special angels. You are a reflection of your mom in the way you treat people with respect and empathy. Not to mention the way you make each person feel loved. Jr, Kevin, Muryah & Kids, Grandmother God looked around his garden and found an empty space Then he looked down upon this earth and saw your tired face He put his arms around you and lifted you to rest God's garden must be beautiful He only takes the best I am truly sorry for your loss. Love, Jessica & Giovanni ❤️❤️❤️
