“ To Melanie and family,\r\n\r\nI first apologize for the tardiness of this message.I hadn't heard of Marc's passing until quite some time later and it felt awkward sending a message at that point.It never felt right though having grown up with Marc in the same neighborhood and going all through school with him.\r\n\r\nWhen I saw the obituary on FB I realized that it's never too late to send or receive condolences and prayers for a loved one. Marc was a kind and genuine man. It always brings a smile to my face thinking of my childhood and our old neighborhood. He was a big part of that and I know that he is truly missed by all who knew and loved him.\r\n\r\nSincerely,\r\n\r\nKathy Shea O'Connor
