“ Ah, the memories! There are so many! I lived next door to Peggy for many years on Valentine. She was so funny, and so helpful. Knew lots of people, when you needed to get something done, ask Peggy who.

The winters were long, and some of them very snowy. Thank you Ron for coming over to plow our driveways out.

Peggy certainly did enjoy her pool, and took good care of it. We had many visits sitting out there. She was very tolerant of my kitties coming over with me to check things out. They used to sit on her front stoop sometimes, looking like they owned the place. It took us a while to figure out how to keep them from pooping in her bushes.

She was so annoyed, but put up with them and me.

She will be missed, but not forgotten. A true friend.

Godspeed Peggy, it was a pleasure to know you.

“ I am so grateful to have known you, Peggy, through your loving daughter and my cherished friend, Barbara. Our visits always brought a smile and a laugh, especially when we smuggled a little chicken into your room! You always brightened up when we showed you pictures of your family, and my heart goes out to all of them.

Know how loved you were, rest in Heavenly Peace, and thank you for the gift of Barbara, a remarkable, strong lady, like her momma.
