“ My Margie girl was one of a kind. She told it how it was, no sugar coating but always with love and kindness. If she loved you it was with all of her heart and then some more. I was so blessed to have her as my friend. There will be a hole in my heart forever but knowing she is with the love of her life gives great comfort. \r\nMy thoughts and prayers are with her family

“ Mom, I could never ask for a better mother. Although we didn't always get along and we did butt heads a lot, I love you with all of my being, I am going to miss you so much. It's comforting to know that you are now with the love of your life, the best stepfather that any child could ask for and with your siblings and your mother. Please tell them all that I said hello and I love them all and I miss them all. God gave me another Angel on my Shoulder to watch over me and the angel that he gave me this time was my mother. I LOVE YOU MOM. I ALREADY MISS YOU. Love ALWAYS your daughter.
