“ Mom, you are such a beautiful soul heaven is so lucky to have you and when I look to the stars I will always think of you. I will miss you so much, I already feel such a void where time would have been spent coming to see you, having coffee bringing TJ to see you. So many things remind me of you and with you gone for less than a week I'm missing your smile and laughter so much. I love you. Until we meet again.\r\nDiane
