“ Dear Condon family, I am so sorry to have read of the recent death of your loved one Michael. Please accept my most sincere condolences. I would like to share something that I have personally found to be very comforting. It is found in the Bible at John 5:28,29 and Revelation 21:3-5. These verses tell us that soon Jehovah God through his son Christ Jesus is going to bring about a resurrection of our dear loved ones, as well as do away with all the causes we have for suffering including sickness and death. Knowing this has always comforted me and it is my hope that these thoughts will likewise comfort your family during this most difficult time in your lives.
