“ Thank you to everyone who took the time to show up for my Dad’s funeral, it was greatly appreciated to have that support in this time.\n\nAnd a special thank you to those who weren’t able to attend in person but logged in remotely. We were able to see all the different locations from California, Castries St.Lucia, Canada, United Kingdom, Jamaica, New York, Florida and many others. I’m going to miss him more than words could ever express, but I look forward to keeping his spirit alive though the photographs and stories told.\n\n I will be uploading pictures I have as I come across them so make sure to check back here soon to see them❤️.
