“ Although I was not able to attend Milton's services, I wanted to express my condolences to the Jones family. I had the honor of working with Milt when he was a technician in the Special Services department of Verizon. Milt always came to work with a smile on his face and laughter in his voice. I never heard him speak badly of anyone, Milt was a real gentleman and a pleasure to work with. The world will definitely be a lesser place without him. \n\n\nMy Sympathies,\n\n\nMike Budri
