

Pablo Guzman

September 17, 1932 - February 12, 2018

Springfield – Pablo Guzman, 85, passed away on Monday, February 12, 2018 at Baystate Medical Center.

He was born in Bayamon, Puerto Rico on September 17, 1932, the son of Alfredo Guzman and Maria Bartola Marrero.

He is survived by his family, Richard Guzman, Anastacia Hauldridge, Angel Carrillo, Carolyn and Marilyn Rivera.

Pablo will be greatly missed by us all. He was a business man during his life and owned several businesses, a great chef, loved watching Spanish soap operas and a huge fan of the New York Yankees baseball team. He took the time to show gratitude for everything in his life and was the sweetest man you would get to know.

This is Pablo Guzman's last words to remember him by, he would say each night before being tucked in his bed...

"Good Luck, Good Sleep, Good Health, Good Eat, Good Success, Keep Striving Forward No Matter What Happens, Take Care Of Yourself, God Bless You, Love You and Good Night"?
