“ Although I had not seen Pat Bowen for many years, my memories of her are fond. Her daughter Kathy and I were fast friends in high school, and have retained a lifelong bond. I was always welcomed by Mrs.. Bowen--as I knew her--without fuss, and with great warmth, as if I were an auxiliary member of the family. When my son was born in 1998 she sent a thoughtful gift to help welcome him into the world. Deepest condolences to Kathy and all the family--rest in peace, dear Mrs. Bowen.

“ I was saddened to hear of Pat's passing. I was fortunate to have known her even if it was for a short time. When I would see Pat she always had a smile and she would always brightened my day. I can remember our conversations about "John Wayne" and how he was doing and how "John Wayne" came into their lives!! Now her and "John Wayne" are together once again and I can only imagine how happy "John Wayne" is by having her with him The world will not be as bright without Pat... I know she will be watching and taking care of Ed and all of her family. She will be missed by all those she has touched in her lifetime.. And I will miss her smile and caring way. Sending prayers to all of you. She was a special lady. ❤️
