“ Peggy, you will be missed by so many. You were there to not only aid many of us, but the lessons that you taught in order to make each person that you came in contact with so much better. I know that my life is much better to have known both George and you.

“ Peggy will be missed by everyone at bowling, especially me. She had the meanest curve and knew just how to get the strike, no matter what angle. Her spunk and energy will be greatly missed by all! I am very sorry for your loss. I will remember her in my prayers.
