“ I am very sad to hear of Ray's passing. I have often thought of Ray throughout the years after working with him at INA on maple street. Ray was always there for anyone who needed things done in the office. He was a perfect gentleman, quick to respond and just a joy to know him. INA was a nice place to work back then because of the fine character Ray always displayed. May he rest in peace in a better place in which he so deserves. God Bless!
