“ *Reggie, you have been a part of my life since 02/1997. We met in the Galleria and always from that day on, we came back to each other. I love you. I will always love you. I am going to miss you always. I can not believe that you will no longer be my love, my friend, my homie...I pray that you are laughing with Bambi and my dad and watching over us. I am thankful for what we had together and look forward to seeing you again when I get to the other side, we’ll come back to each other again that day. goodbye my love.*
