“ Ricky was a good soul who never got a good break out of life. He had so much potential that circumstances never let him get near that I was his friend, his pool team captain at the Elks and I loved the boy, I, as many other people will miss his goofy smile. He was standup and I will miss him much.. my condolences to his family, God Bless. Billy Henchey

“ Sorry to hear about Rickie. that is what I remember calling him. I know how it is to loose your Baby Brother, it sucks and it takes along time to get over if ever. It also sheads some light as how to change our life styles. Be there & strong for each other. Keep your Family close and remember to good & fun times you had with Rickie. Celebrate his Life.
