“ Uncle Roger and I go way back. I am Carol Ann youngest daughter Kathy. I remember Uncle Rog would tell some of his corny jokes and he would make me laugh. He loved to talk about cars and he knew them real well. He told me stories about my mom and his brothers and his parents growing up. I enjoyed talking with him on the phone. I send my deepest condolences and prayers to the family and my Uncle Rick. May God's comfort and peace be with you all in weeks and months a head.
