“ We can not put into words how we feel about you Sandy. We have known you for what seems like forever. You will be missed beyond belief. I will miss our time together concerning John and Lyle and the crazy things they got themselves into. I will miss seeing your smile every day no matter how you felt or didn't feel. I will miss you and miss you forever.

“ A life may have ended, but the relationship will continue on. I’ve known and loved you all my life. So many memories, laughter and joy has been made with you Uncle Lyle, Mike and Suzie!! From Springfield weekends visiting, sleeping in your camper in your driveway, to visits to Cape Cod. Going to the Irish Pub in Harwich to listen to Butch and Mave. I think this was how I came to like Irish music!! Dancing with Suzie in the den (which is now your dinning room). My love for Coke instead of Pepsi (LOL)! The laughter, Dad and Lyle going for Pizza and Mike with his car on the Cape he couldn’t wait to take me for a ride. So much of my life time with you all. I love you.
