“ I was so happy to be your wife and so proud. Now I cannot sit there and say I love you anymore or I cannot get that one last kiss before I go to bed. But I know Shane that you are at peace and we will miss you Tyler especially. I miss you so much babe. Rest in peace

“ Shane,

*You broke my heart the day you left this earth. I can't imagine my life without my brother in it and now I have to face that realization. Never will I ever be able to see you again, hear your voice or give you a hug. I don't like this new normal. I'm going to miss you like crazy. The only thing that helps ease the pain of your loss is knowing you are at peace and with Alyssa, Dad, Grandpa, Jaju, Diane, Grandma Lannon, Memere and all your friends and countless other relatives.*

*You are now free from fighting the demons that plagued you on this earth. In my mind I know you are in a better place, I just wish you were still here. I know that Alyssa and Grandpa and Dad were probably waiting at the Gates of Heaven to greet you. You must have been overjoyed to see them all, especially your baby girl. Please watch over all of us and send us a sign that you are around every once in awhile.*

*I want you to know how proud I was to be your big sister. You weren't perfect, you had your flaws but I loved you and accepted you for who you were. I had always hoped that you would free yourself from your addiction but that was not meant to be. I was always there for you and tried to help you throughout the years the best I could. I will forever hold cherished memories of our time growing up together close to my heart and always remember my brother with a smile and with love. Until we meet again, I love you and will miss you so very much Shane. Love your sister,*

*Nicole* ❤️😭💔💔😊

*My condolences to Shane's family. Where does time go. I remember when you were young, and you and Nicole would hang out at my parents house with my sister. I always loved your grit. I remember the time in elementary school when you locked out the teacher from her classroom. You did what every kid wanted to do.*

*I pray that you are at peace.*
