“ Uncle Teddy was a good man and a great Godfather. We had shared a few laughs before his passing. I shall cherish these memories.  
Even though he was not feeling well, he made me laugh. That is a strong soul.

“ Your 100 earth years old this year Dad! On that day I had to get you some flowers & balloons & me & Ray visited your earthly memorial site. If I know anything I know your spirit isn't in the ground by any stretch of the imagination. Still it felt like there was a earthly connection by the balloons floating off towards heaven to you. Steven took Logan to your memorial site & made the memorial site look nice again. :-) Love you eternally!  
XoXo
