“ Sarah - my condolences on the loss of your husband. I worked with you at Albany International (aka) SYNCOM in Agawam, MA - back in the 80s - temp assignments I think we both were doing. All through the years I have thought of you. Condolences to your children and other family members.

“ So sorry to hear of your loss. When I was in middle school and high school, Virgil got me out of a jam on more than one occasion. I enjoyed hanging out at the house with your family, and have nothing but good memories of Virgil. God bless you and your family.

“ Dear Sara and all the Britt Family - I am sorry to hear of your loss and I just want to say that on the few occasions that Virgil and I spoke, I always ended up with a smile on my face after. He had a special sense of humor - and I truly appreciated that about him. God rest his soul.
