“ Dear Family, I am so sorry to hear Billy has passed away. I did not know he had cancer. Last I saw him was with you Sue and daughter at Auntie Mary’s wake. He looked well then. I will always regret not keeping in touch. I am very sorry for your loss ... he was a great guy! As children we had many special moments with Mike, Paul, and Billy -- memories I will always hold dear. God Bless You! Much love to all ... Yvonne & Family

“ Sue and family -- I am so sorry to hear that Billy has passed away. I had no idea he had cancer. I hope he went peacefully and can now be with his Mom and Dad and my parents too ... and All of his Aunts and Uncles who have gone before him -- RIP Billy. May you, his family, know that love never dies -- Billy may no longer be beside you in life but he will always be in your heart. Time brings out the best memories ... Give yourselves time! Hugs, Yvonne & Family
